All fields of the questionnaire marked with asterisk are relevant to university statistics and therefore mandatory. Please find further information and notes on the collection of personal data on the [enrolment application form](#) and in the [information on data protection](#) in the context of enrolment.

Please complete this form electronically. Dropdown menus are available for some of the fields. Please use the selection options provided there. Afterwards, please print out the questionnaire, sign it and attach the document to your enrolment application.
