

Technisch-Chemisches Kolloquium

Special Seminar

Dienstag, **15.02.2011**

15.15 Uhr

Raum S05 T02 B02 (Campus Essen)

*Membrane modification using concentration
polarization-enhanced graft polymerization and
its use for improving membrane performance*

Dr. Viatcheslav Freger

**Ben Gurion University of the Negev
Zuckerberg Institute for Water Research
Sd. Boqer, Israel**

Gäste sind herzlich willkommen!
