

FACTS AND FIGURES

PERSONNEL

Number of employees	3,974
– Professors	410
– thereof in the Faculty of Medicine	73
– Academic staff	2,291
– thereof in the Faculty of Medicine	878
– Non-academic staff (excluding Faculty of Medicine)	1,273

BUDGET

Total state funds	345.6 mill. €
– thereof in the Faculty of Medicine	128.9 mill. €

AREA AND LECTURE HALLS

Total area excluding University Hospital	231,669 m²
– Humanities and Social Sciences	63,781 m ²
– Natural Sciences	50,127 m ²
– Engineering	54,216 m ²
– Central Areas	57,709 m ²
– Folkwang University on the main campus	5,836 m ²

Total area of University Hospital	166,076 m²
--	------------------------------

Lecture halls with more than 100 seats	36
---	-----------

Seats in Auditorium Maximum	720
– Duisburg, Lotharstraße	670
– Essen, Segerothstraße	350
– Essen, Hufelandstraße (University Hospital)	

ADDRESSES

University of Duisburg-Essen, 45117 Essen, Germany

RESEARCH

Main Research Areas

- Nanosciences
- Biomedical Sciences
- Empirical Research in Education
- Urban Systems
- Change of Contemporary Societies

Central Research Facilities

- Center for Computational Sciences and Simulations (CCSS)
- Center for Empirical Research in Education (ZeB)
- Center for Nanointegration Duisburg-Essen (CeNIDE)
- Centre for Logistics and Transport (ZLV)
- Centre for Medical Biotechnology (ZMB)
- Centre for Water and Environmental Research (ZWU)
- Erwin L. Hahn Institute for Magnetic Resonance Imaging (ELH)
- Essen College of Gender Studies (EKfG)
- Institute for Experimental Mathematics (IEM)
- Institute of East Asian Studies (IN-EAST)

Doctorates	339
– Percentage of women	44 %

Habilitation qualifications	30
– Percentage of women	23 %

Expenditure from third-party funds	78.4 mill. €
– thereof in the Faculty of Medicine	30.5 mill. €

Sources of third-party funds (excluding Medicine)	
– German Research Foundation (DFG)	14.6 mill. €
– Federal Government	8.3 mill. €
– Business and industry	7.1 mill. €
– European Union (EU)	5.0 mill. €
– Foundations	4.0 mill. €
– Other	8.9 mill. €

German Research Foundation (DFG) Programmes	
– Collaborative Research Centres at the university	6
– Collaborative Research Centres in cooperation with the university	2
– Research Units	3
– Priority Programmes	4
– Research Training Groups	5

Graduate Schools	2
-------------------------	----------

Associated Institutes of the university	11
--	-----------

FACULTIES – COURSES – STUDENTS

Faculty of Humanities	6,562
– Anglophone Studies	
– German Studies	
– German as a Second Language	
– Romance Studies	
– Turkish Studies	
– Modern Japan	
– Communication Science	
– History	
– Philosophy	
– Protestant and Catholic Theology	
– Art and Art Science	
Faculty of Social Sciences	2,709
– Social Sciences (Sociology and Politics)	
Faculty of Educational Sciences	3,808
– Social Work Studies	
– Educational Science	
– Sport and Kinesiology	
Faculty of Economics and Business Administration	3,907
– Economics	
– Computer Science	
– Business Information Systems	
Mercator School of Management	3,257
– Business Administration	
Faculty of Mathematics	1,540
– Mathematics	
Faculty of Physics	439
– Physics	
Faculty of Chemistry	1,145
– Chemistry	
Faculty of Biology and Geography	937
– Biology	
– Medical Biology	
– Geography (being phased out)	
Faculty of Engineering	5,679
– Computer Science	
– Applied Cognitive and Media Science	
– Electrical Engineering	
– Mechanical Engineering	
– Technology	
– Civil Engineering	
– Industrial Engineering	
– Nanosciences	
Faculty of Medicine	1,657
– Medicine	
Total number of programmes	100

STUDENTS BY GENDER AND ORIGIN

Students (headcount)	31,806
– Percentage of women	51 %
– Percentage of international students	16 %
First-year students (headcount)	7,966
– Percentage of women	52 %
– Percentage of international students	20 %
Graduates (main subject)	3,851
– Percentage of women	56 %
– Percentage of international students	16 %
Origin	
– Commuter belt	66 %
– Rest of North Rhine-Westphalia	16 %
– Rest of Germany	8 %
– Other countries	10 %
Students with foreign entrance qualifications	3,502
– Europe	44 %
– Asia	41 %
– Africa	11 %
– America	3 %
– Australia and New Zealand	1 %
Doctoral candidates (PhD)	1,858

DEGREES

Bachelor	778
Master	442
Diplom (being phased out)	1,354
Magister (being phased out)	212
State Examinations in Teaching	917
– for primary, lower secondary and intermediate secondary schools	508
– for grammar and comprehensive schools	335
– for vocational schools	74
State Examinations in Medicine	133
Doctorates	339

SERVICE FACILITIES

Administrative Departments	441
– Number of employees	
– Planning	
– Student Service and Academic Affairs	
– Personnel and Organisation	
– Facility Management	
– Budget	
– Staff Units	
Academic Counseling Centre for Study and Career Development (ABZ)	
– Group information events (school pupils or university students)	140
Center for Higher Education and Quality Development (ZfH)	
– Lectures and seminars evaluated by students	1,833
– Evaluated questionnaires	52,341
Central Scientific Workshops (ZWW)	3,500
– Orders per year	
Centre for Information and Media Services (ZIM)	
– Systems included in computer network	18,500
– Absolute number of emails transmitted per day	1 mill.
Centre for Teacher Education (ZLB)	
– Work placements arranged per year	3,000
– Coordination of BA/MA transition: subjects	29
Institute for Optional Studies (IOS)	16,000
– Places in optional studies modules E1/E3	
International Office (IO)	130
– Home countries of international students	
Science Support Centre (SSC)	22
– Supervised Research Projects	
– Patents	15
University Library (UB)	2.6 mill.
– Media inventory by items, approx.	
University Sports (HSP)	1,040
– Courses offered
