

After the conference, presentations will be published as a special issue of the international journal *Materials Science and Engineering Technology (Materialwissenschaft und Werkstofftechnik)*, published monthly by Wiley-VCH. Full original papers will be considered (no review articles and no short communications) and subjected to the usual Peer Review Process by at least 2 reviewers. Both oral contributions and posters will be considered for publication. Only submissions which were actually presented at the conference will be considered. Cancelled contributions will not be considered.

The manuscripts shall be prepared in standard English. Manuscripts with unsatisfactory English will be immediately returned to the authors for correction within one week.

If you wish to contribute a manuscript, please send an e-mail to **gus@uni-due.de** until

**October 10<sup>th</sup>, 2008**

stating the title and the authors of the manuscript.

The instructions how to prepare the manuscript can be downloaded at this site.

The deadline for submission of full manuscripts is

**November 1<sup>st</sup>, 2008**

**Important:** Contrary to the instructions, the manuscripts must be submitted to gus@uni-due.de, and not to the Journal Editor (Dr. Ellermeier). The manuscripts will be fully handled in Essen.
