

Degree Course	Target Degree	Place of Study	Internet	Contact	Application deadline	Language admission requirement
Automation and Control Engineering	B. Sc.	DU	http://www.uni-due.de/ise	International Studies in Engineering (ISE) ISE Office Faculty of Engineering email: ise@uni-due.de	best before: 15 th July (WS only)	German: at least level A2 according to the CEFR (Common European Framework of References for Languages) English: at least TOEFL internet-based 61 or IELTS extremely limited user band 3.0 or University of Cambridge Key English Test or equivalent certificates
Computer Engineering	B. Sc.	DU				
Computer Science and Communications Engineering	B. Sc.	DU				
Electrical and Electronic Engineering	B. Sc.	DU				
Mechanical Engineering	B. Sc.	DU				
Metallurgy and Metal Forming	B. Sc.	DU				
Contemporary East Asian Studies	M. A.	DU	http://www.in-east.de	Institute of East Asian Studies email: in-east@uni-due.de	15 th July (WS only)	English: at least TOEFL 560/220/83
Automation and Control Engineering	M. Sc.	DU	http://www.uni-due.de/ise	International Studies in Engineering (ISE) ISE Office Faculty of Engineering email: ise@uni-due.de	best before: 15 th July (winter semester) or 15 th January (summer semester)	German: at least level B1 according to the CEFR (Common European Framework of References for Languages) English: at least TOEFL internet-based 61 or IELTS extremely limited user band 3.5 or University of Cambridge Preliminary English Test or equivalent certificates
Computational Mechanics	M.Sc.	DU				
Computer Engineering	M. Sc.	DU				
Computer Science and Communications Engineering	M. Sc.	DU				
Electrical & Electronic Engineering	M. Sc.	DU				
Mechanical Engineering	M. Sc.	DU				
Metallurgy and Metal Forming	M. Sc.	DU				
Steel Technology & Metal Forming dual study path: studies & apprenticeship # completed apprenticeship	B.Sc. and#	DU	http://www.uni-due.de/maschinenbau/en/steel.shtml	Faculty of Engineering email: ruediger.deike@uni-due.de	depends on the apprenticeship company	German: DSH-2 and knowledge of English
Technical Logistics	M.Sc.	DU	http://www.uni-due.de/tul	Faculty of Engineering email: bernd.nochte@uni-due.de	15 th July (winter semester) or 15 th January (summer semester)	German: level C1 according to the CEFR English: level A2 according to the CEFR or vice versa (German A2, English C1)
Environmental Toxicology	M.Sc.	E	http://www.biogeo.uni-due.de/biologie/studienangebot	Faculty of Biology email: envitox@uni-due.de	Best before: 15 th August (WS only)	English: at least level B2 according to the CEFR
Transnational Ecosystem-based Water Management	M. Sc.	E	http://www.twm-master.com	Centre of Microscale Ecosystems email: twm@uni-due.de	15 th July (starts in September)	English: at least TOEFL 550/215/81 or IELTS 6.0
Water Science	M. Sc.	E	http://studiengang-wasser.de/	Faculty of Chemistry email: HansCurtFlemming@compuserve.com	15 th July (WS only)	English: at least TOEFL 550/215/81

For Ph. D. programmes see <http://www.uni-duisburg-essen.de/imperia/md/content/international/graduateschools.pdf>

The **University of Duisburg-Essen** is located on both campuses in the cities Duisburg (DU) and Essen (E), Germany. More information on <http://www.uni-due.de/en/university.php>. For subject-related questions please feel free to contact the relating institutions (see Contact). Page http://www.uni-due.de/international/download_degree.shtml provides all **application forms**. The **International Office** helps foreign applicants and post-graduates who are interested in our courses of studies. You will be advised especially on matters of application, enrolment, and admission. Website: http://www.uni-due.de/international/index_en.shtml.

The regular **course start** is April (SS = summer semester) or October (WS = winter semester). A **tuition fee** of 480 Euro per semester will be raised (except for the TWM course which has different fees. Relevant information can be obtained from the TWM website). For more information on general tuition fee see http://www.uni-due.de/international/en_studyfees.shtml.

For **scholarships**, please note that applications must be submitted well in advance when you are still living in your home country. As soon as you have taken up studies at a German university no applications will be accepted, for detailed information please check DAAD webpage <http://www.daad.de/deutschland/foerderung/02055.en.html>.

*In some degree courses (at the Faculty of Engineering) the language of instruction is **German**, too (50:50). - For an overview of all our degree courses see http://www.uni-due.de/studienangebote/index_en.shtml.
