

Hosts / Support

**Research Training Group
1240 Nanotronics**

**Research Training Group 277 Structure
and Dynamics of Heterogeneous Systems**

**Collaborative Research
Center SFB 445 Nanopar-
ticles from the Gasphase**

Deutsche
Forschungsgemeinschaft

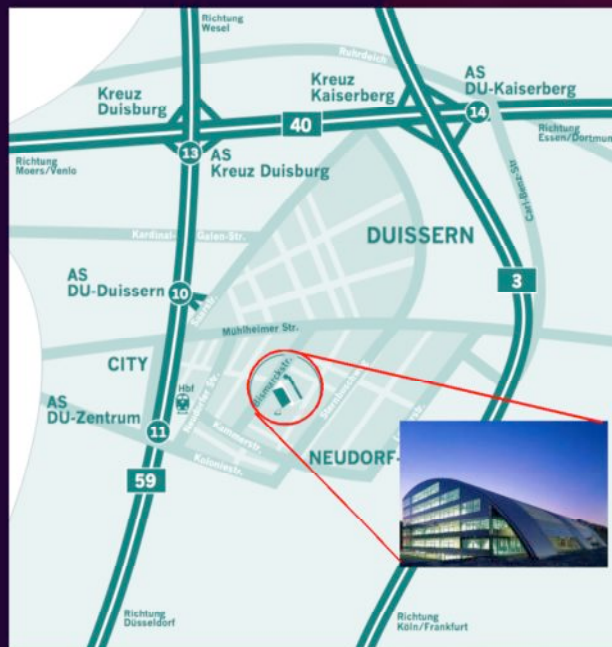

Organizer / Contact

Prof. Dr. Markus Winterer

**Nanoparticle Process Technology
University of Duisburg-Essen
Lotharstr. 1
D-47057 Duisburg
Germany**

phone: +49-203-379-4446
fax: +49-203-379-4453
mail: markus.winterer@uni-due.de

Venue

Tectrum (Tower)

**Bismarckstr. 142
D-47057 Duisburg**

phone: 0203-306-1010

International Workshop

on

Semiconducting

Nanoparticles

UNIVERSITÄT
DUISBURG
ESSEN

Duisburg, Germany

December 7th & 8th 2006

Invited Speakers (preliminary)

Margit Zacharias (U Paderborn)
Andreas Wieck (U Bochum)
Andreas Waag (TU Braunschweig)
Michael Oestreich (U Hannover)
Cedrik Meier (U Duisburg-Essen)
Victor Klimov (LANL)
Thomas Ihn (ETH Zürich)
Kevin Hennesy (ETH Zürich)
Daniel Hägele (U Bochum)
Daniel Gamelin (U Washington)
Bruno Chaudret (U Toulouse)

Topics

- semiconducting nanoparticles
- optical properties
- charge transfer and injection
- dynamics and mechanisms
- function of dopands and surfaces / interfaces

Local Organizing Committee

Peter Entel
Axel Lorke
Gerd Bacher
Udo Dörfler
Markus Winterer

Registration / Submission of Abstracts

fee (payable at the
workshop): 100 €

deadline:

November 27th

at

www.uni-due.de/nanotronics/workshop2006/
