

, WHAT'S WRONG WITH IT?

There is no signal on your computer, you get error messages on your laptop or your applications are constantly crashing?

In this case the CIM assists you diagnosing the hard- and software problems of your computer or peripheral devices.

In addition to support, we offer an installation service and a limited repair service.

Contact our specialist team in the IT-service centres:

Room (DU)	LB 043
Phone	02 03 - 379 - 42 50
Mon - Fri	9am - 3pm
Room (E)	R12 R03 A48
Phone	02 01 - 183 - 4754
Mon - Thu	9am - 3pm
Fri	9am - 12pm
