

Graduation grants for international students 2010

Graduation grants are available to international students and doctoral candidates who can demonstrate financial need and will successfully complete their studies within one year.

Applications (freely worded) should be sent to the International Office of the University of Duisburg-Essen.

Students from the Duisburg campus should submit their applications to Ms. Durski; students from the Essen campus should submit their applications to Ms. Terwyen.

You **must enclose** the following documents with your application:

1. Curriculum vitae (education and studies)
2. Proof of academic achievements so far (transcript of records)
3. Statement relating to your financial situation
4. References from two professors stating that you will complete your final degree **within one year** and are expected to achieve good results
5. Bank details
6. Your tax office and tax number

Application deadline: April 1st 2010
