

INTRODUCTION TO LINGUISTICS I: Tutorial Group 1

THU 14.00-14.45 / online (possibly to be rescheduled to 13.30, see poll in Moodle)

Summer Term 2021

Dr Nuria Hernández y Siebold

This tutorial is a complement to the lecture "Introduction to Linguistics 1". It provides further examples for illustration and offers students the chance to apply the concepts introduced in the lecture. Students are expected to prepare weekly worksheets and participate actively in class. LSF registration required.
