

Courses of Studies: Civil Engineering (B.Sc. und M.Sc.)

Modules:

Building physics 1 - 5

Structure of studies in materials science – Interrelations between modules

Course of Studies: Civil Engineering, Master'

3. Sem.
(WS)

Building physics 5
Proof of power requirement

Building physics 4
Acoustics for engineers

Building physics 2
Fire protection

Course of Studies: Civil Engineering, Bachelor'

5. Sem.
(WS)

Building physics 1
The basics of building physics

1. Sem.
(WS)

Physics
