Address for EU applicants:

Universität Duisburg-Essen Dekanat Biologie Nadine Ruchter Universitätsstr. 5 45117 Essen Germany

Address for non EU applicants

University of Duisburg-Essen International Office Nicole Kollek Universitätsstr. 5 45117 Essen Germany

Information:

As we have a high number of applicants for EnviTox, you have to strictly stick to the application form. It is mandatory to use this form in order to provide us with information about your motivation, your CV and your bachelor thesis and we do not accept extra sheets of papers with this information. Furthermore, there is a word limit for each question, which you have to consider. Please be concise to stay within this limit.

Thank you.

Application form for the Master program Environmental Toxicology (EnviTox)

Last name:	Nationality:
