

FOR THOSE WHO
DARE

Here is your home.

Working student/Intern (m/f) in the field of Customer Commercial Management

Job Purpose/Role

Our Mission at Allianz Technology is Leading IT with you!

Leading IT means shaping the IT agenda of Allianz, providing leading IT solutions to Allianz and showing the confidence to lead... with you.

Be the IT provider of the Allianz Group to run, optimize, transform and innovate infrastructure, applications and services together with organizational entities to co-create the best customer experience.

The Customer Commercial Management (CCM) department is part of the Customer & Solution Management division of Allianz Technology SE and is responsible for:

- Creating transparency on customer commercials to facilitate customer oriented steering.
- Optimizing and maintaining the service portfolio management.
- Defining and implementing interactive technical solutions to simplify control of accounts and to professionalize customer services.
- Organizing and monitoring the yearly planning dialogue in close collaboration with account management and finance.

Key Responsibilities

- Get to know structures and processes within the Customer & Solution Management division.
- Collaborate with several stakeholders across Allianz Technology (account management, finance, OE reporting).
- Assist the CCM team in piloting and implementing interactive technical controlling solutions: data validation, preparation of communication and training materials.
- Facilitate the preparation and execution of the planning dialogue: create reports and internal communications, organize alignment meetings for account managers and product owners.
- Support and advise account managers on the planning process.
- Conduct quality assurance in the service portfolio management process: ensure inclusion of new products, coordinate with the service description and catalogue owner.

Key Requirements/Skills/Experience

- You are in the last year of your studies (Bachelor/Master). Preferred study areas: Economics (Business Administration, Business Mathematics, Macroeconomics) or Business IT.
- Advanced computer skills, especially Excel and PowerPoint. Knowledge of SAP beneficial.
- Advanced analytical skills and great attention to details.
- Ability to work independently and take ownership of assigned tasks.
- Excellent communication skills in English (verbal and written); very good communication skills in German (verbal and written).
- High degree of proactivity, commitment and enthusiasm.
- Interest in working for an IT service provider in the insurance/reinsurance business.
- You can start immediately and are interested in an internship for 4 to 6 months in full-time (38h/week) or - as a working student - part time (16-20 h/week).

Additional Information

What do we offer you?

- An attractive monthly salary of 1.550 € for internships (also for mandatory internships) and for working students 1.700 € for bachelor students and 1.900 € for Master students (on a full-time base)
- A modern and open space office located in Munich
- Flexible working hours
- A student discount in our outstanding canteen
- Free LinkedIn Learning Account and many other opportunities to develop new skills
- A big student community with lots of social events
- A highly talented, dynamic and international team

Interesting Facts:

- Requirement for an internship and working student positions is the enrolment in an university – or (for an internship) a Gap year. We can only consider your application if you provide the following documents:
- certificate of enrolment (exception Gap year)
- certificate for a compulsory internship, work and residence permit (for non-EU citizens)
