Welcome to the Parent-Child-Room

This office is meant to bring your own children at work, if short-term gaps of child-care have to be bridged. The equipment is selected mainly for children from infancy up to six years of age, but schoolchildren are also welcome. We hope, that you feel well and we wish you a pleasant time here in the Parent-Child-Room. We kindly ask you to pay attention to some rules, so that everything works fine for everyone:

- If you would like to use the Parent-Child-Room please write a short Email to crc1093@uni-due.de.
- Please do not leave your children unattended in this room.
- Because children are crawling in this room, please put out your shoes.
- If the carpet needs some cleaning you can use the vacuum cleaner.
- In order to avoid stains, please go for feeding of your baby to the cafeteria, there you also find high chairs.
- Something got broken? No problem, we care for compensation of the damage. Please just tell us what happened.
- We wash the bed sheets regularly. If this is immediately needed after your stay please tell us.
- Please take used diapers with you at the end of the day.
- Your child is coughing, sniffles or suffers from other communicable diseases? Please disinfect all toys which your small child could have put in its mouth before you leave.
