Directions

From Düsseldorf Airport to Essen Hbf (Central Station)
Follow the signs of DB (“Deutsche Bahn”) to get from the airport to the train station. There are frequently trains travelling from Düsseldorf Airport to Essen Central Station. Take one of the “Regional Expresses” RE1, 2, 6 or 11. The trip will take you about 20 minutes. You will need a ticket of the fare stage C. Those are available online or at the ticket machines or counters at the train station of Düsseldorf Airport.

From Essen Hbf (Central Station) to the university
The ride from the central station to the university takes just a few minutes. You can either take the tram or underground.

Underground: Take the lines U11 into the direction “GE Buerer Str.” or U17 towards “Karlsplatz” and get out at the station “Universität.”

Tram: Take lines 105 towards “Unterstr.” or 106 towards “Germaniaplatz”. Get off at the station “Rheinischer Platz” and take the left exit.

You can find timetables and fare information here.
