

Master Water Science		3. Term			
Zeit	Monday	Tuesday	Wednesday	Thursday	Friday
8-9		L Environmental Chemistry Soil/Waste Sulkowski			
9-10		E-Learning optional			
10-11				L Nanoparticle and Colloids Barcikowski	
11-12				E-Learning optional	
12-13					
13-14					
14-15		L Membrane Technologies Ulbricht	S Environmental Chemistry Soil/Waste Sulkowski		L/E Industrielle Chemie Griebler
15-16		E-Learning optional	optional E-Learning		optional see special announcement
16-17					
17-18					
18-19				L/E Project Management Griebler see special announcement	optional
	P Analytics / Microbiology / Technical Engineering Meckenstock, Siebers, Probst, Bräsen, Schmidt, Schmitz, Telgheder, see special announcement		P Analytical Chemistry Schmidt, Schmitz, Telgheder see special announcement	P Technical Engineering Water Hobby, Panglisch see special announcement
