

CURRICULUM VITAE

GIULIA, CLARA ROMANO

Nationality: Italian

e-mail: giulia.romano@sciencespo.fr giulia.romano@uni-due.de

**Post-doctoral researcher at IN EAST – University of Duisburg-Essen;
Associated doctor at Centre de Recherches Internationales (CERI),
Sciences Po Paris.**

EDUCATION:

- **2010-2016: PhD in political sciences at Sciences Po Paris (CERI).** Advisor: Professor Richard Balme. Title thesis: *From Berlin to Yangzhou: An enquiry into the transfer of Careful Urban Renewal and a Chinese city's capacities to learn sustainability*. Thesis handed on November 7th 2016, defended on 24th February 2017.
- **2009-2012: B.A. in Chinese language and literature at Paris VII University (Denis Diderot).**
- **2007-2009: M.Phil in European Studies at the Faculty of Political Science of Turin University.** Master's thesis on EU-China cooperation on environmental and energy issues.
- **2004-2007: B.A. in Development and Cooperation (International Relations) at the Faculty of Political Science of Turin University.** Final essay on a project of cooperation undertaken by an Italian non-profit organization in the field of education for ethnic minority villages in Qinghai province (China).

PROFESSIONAL EXPERIENCE:

- **From April 2017: Post-doctoral researcher at IN-EAST – University Duisburg-Essen** (Institute of East-Asian Studies of the University of Duisburg-Essen).
- **From March 2017: Associated doctor at the Centre de Recherches Internationales (CERI), Sciences Po Paris.**
- **November-December 2016: Short collaboration for EDF (Electricité de France) as researcher/consultant.** Charged of preparing a study focused on Chinese investments in Italy.

- **2012-2015: Project Manager for Asia Centre** (a French think tank on contemporary Chinese/Asian society, politics, economy, URL: <http://www.centreasia.eu/>). Charged of the management of the “Energy and Environment Program”. Responsible for the preparation of research reports and for the edition of a book on Chinese energy security. Collaborator in the organisation of a thematic conference in China (Beijing) dedicated to the place of gas in China’s energy security.
- **2012-2013: Consultant for SSF (Scutum Security First)**. Collaboration with a French consulting firm supporting European investors in China. Consultancy was provided on Chinese energy policy and energy related issues, producing monthly reports based on Chinese sources (online articles and policy documents).
- **2010-2011: Research Assistant at the Centre for International Studies and Research (CERI) in Sciences Po Paris**. Assistant of Professor David Camroux in FP7 Mercury project on the EU and multilateralism. Research on the EU-China relations in multilateral negotiations for climate protection.

OTHER:

- **March 2013-June 2013:** invited doctoral fellow at Fudan-Tyndall Centre, Shanghai
- **October 2012-December 2012:** invited doctoral fellow at the School of Public Policy and Management of Tsinghua University, Beijing, in the frame of the joint program of exchange and research “The Sciences Po-Tsinghua Initiative for Public Policy”, financed by the French Ministry of Foreign Affairs, Ministry of Education and the PRC’s Ministry of Education.
- **Autumn-Winter 2010:** one semester of studies in Chinese language at Fudan University – Shanghai
- **July 2008:** Summer School “To China”, organized by the Faculty of Political Science of Turin University.
- **March 2006-December 2009:** collaboration with *ApiceEuropa* (an Italian association and cooperative society informing about the institutions and policies of the European Union).
- **August 2006:** volunteer in the Italian non-profit organization *Vasubandhu*, in the project “A School on the Roof of the World”, aimed at promoting education in two rural villages in the Chinese province of Qinghai.
- **July 2005:** volunteer in the Indian NGO *FSL India* in a relief project after December 2004 tsunami

LEARNT AND SPOKEN LANGUAGES:

- **Italian.** Mother Tongue.
- **English.** Obtained certifications: Cambridge First Certificate – level B2 – in 2005; regularly read, spoken, written and used as main work language.
