

## Statement of commitment

for applicants for places of studying abroad

I hereby confirm that I seriously intend to go abroad in summer semester \_\_\_\_\_ to a partner institution of IN-EAST in East Asia. (yyyy)

I am aware that the IN-EAST does not provide financial support (other than a tuition fee waiver at partner institutions in most cases) and that I am responsible of securing the financial resources required for the stay abroad.

The IN-EAST contact persons/language instructors for the different partner institutions serve as source of information and will provide general support but I am aware that I am responsible for submitting all required documents and taking care of necessary paperwork and preparations.

If I have to give up on my stay abroad for inevitable reasons (e.g. severe illness), I will contact Melanie Kogler and Nicolas Schillinger immediately.

I understand that places at partner institutions are limited and that they are allocated according to the internal IN-EAST priority system and that there is no guarantee that I will receive a place for studying abroad.
