

WISEM Dahlbender Villa Navigation

This year, three out of four sessions of Paperthon of SITM Chair will take place in the Dahlbender Villa at the Haniel Campus in Duisburg.

As one of two Co-Creation Labs (CCL), the Dahlbender Villa supports the founding teams of the UDE in the development and testing of their ideas. The Co-Creation Labs are supervised by chairs, including the new chair for "Business Information Systems and Sustainable Supply Chain Management", who support the teams with professional start-up expertise.
