

Dr. Fleurianne Bertrand

**Announcement to „Introduction to Numerical Methods“  
Winter term 2015**

**Lectures:**

Time: Thursday: 12:15 - 13:45  
(starting October 29, 2015)  
Room: V13 S03 C34

**Exercises:**

Time: Thursday: 14:00 - 15:30  
(starting October 29, 2015)  
Room: V13 S03 C34

**Contents:**

1. Interpolation
2. Numerical Integration
3. Direct Solvers for Linear Equation Systems
4. Iterative Methods for Linear Equations Systems
5. Iterative Methods for Nonlinear Equation Systems
