

# Guidelines for the Preparation of Abstracts for the 7th International Workshop on Direct and Inverse Problems in Piezoelectricity

First Author<sup>1</sup>, Second Author<sup>2</sup>, and Third Author<sup>1</sup>

<sup>1</sup>Institute of Mechanics, Department of Civil Engineering, Faculty of Engineering,  
University of Duisburg-Essen, Universitätsstraße 15, 45141 Essen, Germany,  
j.schroeder@uni-due.de, marc-andre.keip@uni-due.de

<sup>2</sup>Institute, Department, Faculty, University, Street, City, Country, E-Mail

**Abstract.** In order to guarantee a common layout of all abstracts, please use L<sup>A</sup>T<sub>E</sub>X for the preparation of your abstract. If you are not familiar with L<sup>A</sup>T<sub>E</sub>X, send an e-mail containing your abstract as plain text at `piezo11@uni-due.de`. In either case, the text shall not exceed one page. The authors are kindly asked to write title, author(s), affiliation(s), and the text of the abstract in accordance to this template file.

The abstracts (both pdf and L<sup>A</sup>T<sub>E</sub>X file) should be submitted by e-mail to `piezo11@uni-due.de`. The deadline for submission of abstracts is **June 24<sup>th</sup>, 2011**.

References should be cited as [1] or [2, 3] and inserted in the following list of items:
