Ab 12:30 Uhr Kaffee und
Kuchen vor dem Hörsaal

11.10.2017

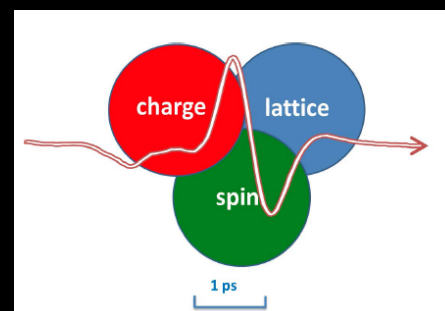

Exploring bridges between physics
and electrochemistry

Prof. Kirk H. Bevan

McGill University, Kanada

18.10.2017

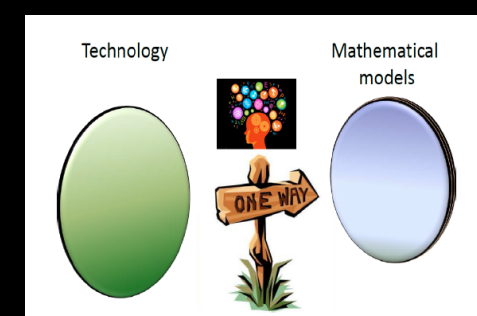

Direct look at charge, lattice
and spin dynamics in solids with
ultrafast terahertz spectroscopy

Prof. Dr. Dmitry Turchinovich

UDE, Experimentalphysik

25.10.2017

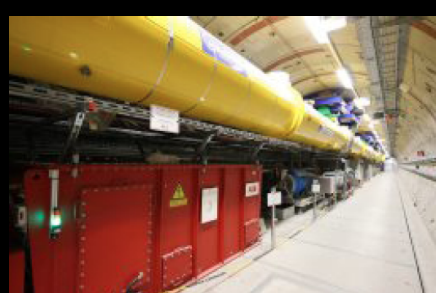

Quantum computing:
from theory towards technology

Prof. Dr. Hans De Raedt

Zernike Institute for
Advanced Materials,
University of Groningen

08.11.2017

It's the Electron, Stupid!
From X-ray Tubes to X-ray
Free Electron Lasers

Prof. Dr. Helmut Dosch

Deutsches Elektronen-Synchrotron
DESY

15.11.2017

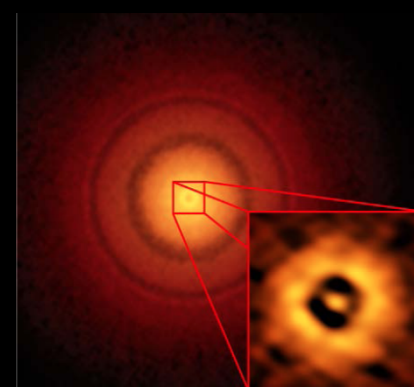

The dawn of neutrino astronomy

Prof. Dr. Julia Tjus

RAPP Center at Ruhr-Universität
Bochum
Fakultät für Physik und Astronomie

22.11.2017

Building Planets - A Journey
along 40 Orders of Magnitude

Prof. Dr. Til Birnstiel

LMU Munich

29.11.2017

The Origin of Mass of the
visible Universe

Prof. Dr. Zoltan Fodor

University of Wuppertal

06.12.2017

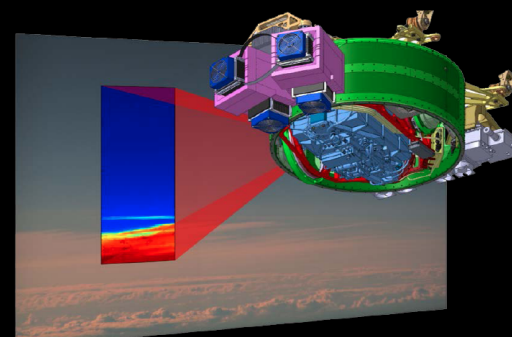

Ötzi and modern mummy research –
New insights into life and death
of the 5300-year-old glacier mummy

Prof. Dr. Albert Zink

Institut für Mumienforschung,
Bozen

13.12.2017

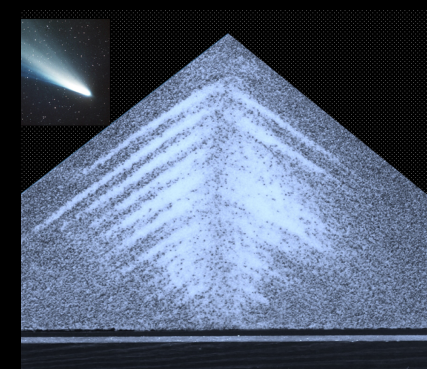

High-resolutions remote sensing
of the atmosphere

Prof. Dr. Martin Riese

Institut für Energie- und
Klimaforschung: Stratosphäre
Forschungszentrum Jülich

20.12.2017

A show with sand and snow

Prof. Dr. Dietrich Wolf

Universität Duisburg-Essen

Weihnachtskolloquium

10.01.2018

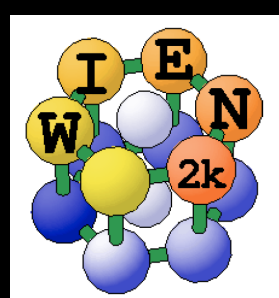

"Universal" Laws of Thermodynamics

Prof. Dr. Maciej Lewenstein

ICFO - The Institute of Photonic Science,
Castelldefels, Spanien

17.01.2018

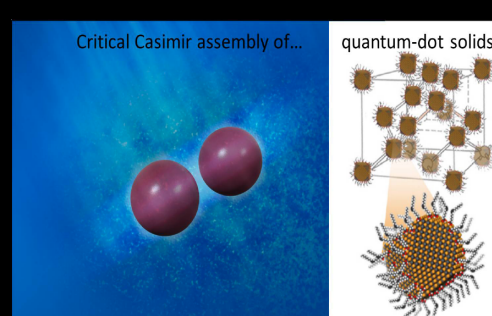

Die Rolle der Theorie (mit WIEN2k)
in der Materialwissenschaften

Prof. Dr. Karlheinz Schwarz

Inst. of Materials Chemistry,
Techn. Univ. Wien

Festkolloquium aus Anlass des 80. Geburtstages
von Prof. Dr. Eberhard Wassermann

24.01.2018

Building molecule and solid analogues
from colloidal particles

Prof. Dr. Peter Schall

Van der Waals-Zeeman Institute
University of Amsterdam

31.01.2018

Correlated behavior in
complex systems

Dr. Sebastian Krause

Universität Duisburg-Essen
