

Botschaft von Mexiko – Ausschreibung Stipendien der mexikanischen Regierung für ausländische Staatsbürger 2019

Hiermit möchte die Botschaft von Mexiko gerne über den Beginn der Ausschreibungsfrist der Stipendien der mexikanischen Regierung für ausländische Staatsbürger für 2019 informieren.

Der Zugang zum Portal mit Informationen zur Ausschreibung der Stipendien ist über den Reiter “Becas y cursos de cooperación académica” des Bereichs “Acciones y Programas” der offiziellen Regierungsseiten erfolgt: <http://www.gob.mx/amexcid/acciones-y-programas/becas-para-extranjeros-29785>.

Diesbezüglich erlaubt es sich die Botschaft noch mitzuteilen, dass die Stipendienbewerbungen bis zum 28. September 2018 über diese diplomatische Vertretung eingereicht werden können. Die Ergebnisse werden ab dem 05. Dezember 2018 veröffentlicht.

On behalf of the Ministry of Foreign Affairs, the Mexican Agency for International Development Cooperation (AMEXCID) invites foreign citizens who are interested in studying for a specialization, master's degree or doctorate, conducting graduate or postdoctoral research, or taking part in an undergraduate or graduate-level academic mobility program, to participate in the 2019 Mexican Government Scholarship Program for International Students.

The scholarships are offered to more than 180 countries through a series of bilateral conventions, multilateral programs and special agreements. More than 70 Mexican institutions participate and all offer academic programs registered with the National Council for Science and Technology (CONACYT) as National Quality Graduate Programs. These programs demonstrate the progress made by Mexico in the sciences and humanities.

By offering Mexican government scholarships for international students, Mexico strengthens its role as an actor with global responsibility and renews its commitment to cooperation programs that help create highly-skilled human capital. The presence in Mexico of international students, academics and scientists helps build permanent bridges of dialogue that enrich the long-term foreign policy agenda through contributions of exceptional value for the country and its partners abroad. In addition, the Mexican institutions and academic community benefit from the increased internationalization.

Thank you for choosing Mexico as your educational destination!
