International Symposium

Ultrafast soft x-ray spectroscopy and scattering

The Collaborative Research Center 1242 (www.sfb1242.de) and CENIDE – Center for Nanointegration Duisburg-Essen (www.cenide.de) at the University of Duisburg-Essen host the international symposium on ultrafast soft x-ray spectroscopy and scattering.

Friday, January 27, 2017, 1.30 pm – 7 pm

**University of Duisburg-Essen, NETZ 2.42, Campus Duisburg,
Carl-Benz-Str. 199, 47057 Duisburg**

(Directions: www.uni-due.de/cenide/anfahrt.php)

Guest speakers

John Freeland
Argonne National Laboratory, USA

John Rehr
University of Washington, USA

Theo Rasing
Radboud University Nijmegen, Netherlands

Andrei Rogalev
ESRF, Grenoble, France

Andreas Scherz
XFEL, Hamburg, Germany

Registration is requested until January 20, 2017:
CRC 1242, Dr. Nora Dörmann
nora.doermann@uni-due.de
