Invalidenstrasse 42 (beside Museum fuer Naturkunde, Underground
Station Naturkundemuseum, old name: Zinnowitzerstrasse)
(Update 11. 3. 2010)**

Important Information

Location: The Conference site is located in the district Berlin Mitte. The conference site is Humbolt University; street: Invalidenstr. No. 42.

It is located directly beside the Naturkunde Museum (Nature Historical Museum).

It is located about 1 km east from the Central Station (Hauptbahnhof). In front of the Hauptbahnhof you will find already the Invalidenstrasse.

Transport: The conference site is located about 10 km south east of the Airport Tegel . From International Airport Berlin Tegel take the bus 128 in direction Osloerstr. Get out the bus at Kurt Schumacherplatz. Change to the underground (U). Take the underground in direction Alt Mariendorf. Get out at the station Naturkundemuseum (old name: Zinnowitzerstrasse) (8 stations).The Ticket costs 2.10 EURO. Go the street southwards; next corner right is the Invalidenstrasse.You will see already the huge old buildings Humboldt University and Naturkunde Museum on the right. The conference location is decorated with the conference banner.

From the Central Station (Hauptbahnhof) go by foot in direction east on the Invalidenstrasse or use the buses 123 or 147 to Invalidenpark, or bus 245 to Naturkundemuseum (4 minutes drive).

About the conference location and the conference halls see also the maps.

Car Parking: Nearby the conference location are no parking facilities. Please take the bus, underground and S-Bahn (above ground city railway).

Registration desk: Please come in time and use the registration facility already on Tuesday from 14: to 19:00 at the conference location Invalidenstrasse 42.

Done payments: We have still some identification problems with already done payments. Particular when we can not identify the participant. Please bring with you the deposit receipt of your bank.

Presentation remarks

**Please regard that presentation facilities are only available for
Microsoft Office Power Point Präsentation**

* Microsoft Office Power Point Präsentation (Version 1997-2003)

* pdf-files

Problems will occur with files established with Apple-PCs They should be changed into ppt-files or pdf-files .

Please load your presentation on the laptop in the room of your presentation (Hall 2 or 3) in the morning from 7:30 to 7:45. Not later. For the afternoon sessions you can do this from

14:00 to 14:30. Somebody will be available to assist you. The best would be when you do this already at Wednesday the 17. March from 12:00 to 13:00.

Poster Presentations: Poster (size DIN A4, 84 cm broad, 119 high) should be hung up latest Wednesday 12:00, and should stay until Friday 15:00.
Be prepared for a 5 minutes talk and explanation of you poster at the poster sessions.

Lunch remarks: Lunch is not included in the registration fees. Lunch will be available in the University canteen (Mensa) near the conference location. Served are all types of foot, also vegetarian foot. You need for it a mensa-card, You can get it with a deposit of 20 EURO at the registration of the conference for 20 Euro. The amount of the deposit which was not used during the conference days will be paid back at the cash desk of the university canteen (Mensa).

Conference dinner: The conference dinner will be at the Albrecht Thear Hall at the conference site from 18:00-22:00 (not 19:00 – 22:30). It is included in the fees. It is only for registered persons. Please indicate at your registration if you will take part at the Conference Dinner.

Additional persons we must charge with 35,-EURO, to be paid in advance at the registration desk during the day. Payment in the evening is not possible..

Payment: Those who could not pay before please do this at your arrival at the registration desk. Participation at the conference is only possible after registration and payment.

Excursion: Participation at the conference excursion is only for persons possible who did register and pay conference and excursion fees. Participation at the conference is only possible as long as places in the bus are available.

Full papers: Until now we received from the 200 presentations of the conference 40 full papers. Therefore we extend the dead line for full paper submission to April 30, 2010. We would be pleased and want to encourage you to send us the total content of your oral and poster presentation.

The volume of full papers will be published as CD and sent to all participants.

Exhibition: The Company Eijkelkamp from the Netherlands will show the newest soil and plant research equipment.
