Please note:

If you failed for the first time in this system dynamics lab attestation, you are **automatically registered for the resit attestation in October 2018 (probably on 8th October 2018)**. Final date, time, and room will be published some days before start of winter term.

If you did not appear due to illness at the date of attestation, please present a medical attestation in due time. If so, you are automatically registered **for the resit attestation in October 2018 (probably on 8th October 2018)**. Final date, time, and room will be published some days before start of winter term.

The dates of practical labs for resits will take place subsequent to the attestation in second half of October.

All information regarding change of groups, grades, a.s.o. are published on our homepage.
