

Drivers for exciting experiment needed!

Do you want to contribute to a scientific cause and get experience with a professional driving simulator?

The Chair of Dynamics and Control needs drivers for an experiment titled:

“Study of takeover reaction time”

To participate you can choose a date and time through either

<https://doodle.com/poll/34xiz6yhm7qp78rh> OR

<https://tinyurl.com/srsds>) OR send an Email to the following addresses:

foghor.tanshi@uni-due.de

chao.he@uni-due.de

Directly to Doodle

Requirements:

- Driving license
- No motion sickness

Time period: 13.05.2019 – 31.05.2019

Duration: 3 hours

Place: University of Duisburg-Essen, Campus Duisburg, MB-Building (MB 134)

As reward for your participation you can either receive **15 EURO** or an exclusive opportunity to take part in a seminar titled: **“Improvement of quality of life and grade: Time management”** held by Prof. Dirk Söffker (Chair of Dynamics and Control).
