Datum 17. April 2018

Authorized participants for the practical labs of **Control Theory Practical Exercise**

**Following participants were not present at the attestation:**

3059212	3059966
---------	---------

**Please note:**

If you have **not passed** the attestation **twice**, you have failed the complete practical exercise. You can register again for the practical exercise in the next winter term.

If you were **not present** at the attestation because of illness and presented a medical certificate in due time, you are automatically registered for the last **repetition date** for this practical exercise cycle (WiSe17/18-SoSe18) in the first lecture week of winter term 2018/19. Please observe necessarily our announcements regarding dates, rooms, and times published some days before term starts.
