

*The Ruhr area, one of Europe's largest metropolitan regions, offers attractive career opportunities for excellent scientists and scholars from around the world. In 2021, Ruhr-Universität Bochum, TU Dortmund University and the University of Duisburg-Essen established the Research Alliance Ruhr to bundle their cutting-edge international research on the most urgent challenges facing humankind. There are four research centers and a college. This is just the latest chapter in our long-standing collaboration as the University Alliance Ruhr (UA Ruhr), a community of 14,000 researchers and 120,000 students in the heart of Germany.*

As part of the Research Alliance Ruhr, the Research Center Trustworthy Data Science is seeking to fill the following position at the Faculty of Computer Science, University of Duisburg-Essen as soon as possible:

**Scientific Assistant (f/m/d),  
Bachelor's Degree**

**Your Main Responsibilities:**

Supporting the Human Understanding of Algorithms and Machines research group. Our team conducts behavioral studies on dynamic (AI) algorithms. For more information, see [here](#).

**We are looking for an assistant to support us in conducting experiments, including:**

- Implementing surveys and online studies (e.g. with SoSci Survey or LimeSurvey)
- Supporting data cleaning and analysis
- Conducting literature research
- Supporting our science communication strategy

Co-authorship on publications may be possible.

**Your Profile:**

- Completed Bachelor's degree in Psychology, Social Science, Business Administration, Data Science, Communication Science, or a related field
- Enrollment at a German university
- First experiences with conducting empirical research
- Fluent in German and English (both at least B2)

**Position Details:**

- Start date: As soon as possible
- Contract duration: 12 months (with the possibility of extension)
- Working hours: 5–19 hours per week
- Application deadline: 02.04.2025

For more information about the newly created Research Center you can visit:

The University of Duisburg-Essen aims to promote the diversity of its members (see <https://www.uni-due.de/diversity>).

It seeks to increase the proportion of women on academic staff and, therefore, strongly encourages qualified women to apply.

Women will be given preferential treatment according to the NRW State Equality Act if they have equal qualifications.

Applications from suitable severely disabled persons and those of equal status according to § 2 Abs. 3 SGB IX are welcome.

Please send your application with the usual documents, quoting reference number **137-25**, to **Prof. Nils Köbis, University of Duisburg-Essen, Faculty of Computer Science, 47057 Duisburg, Phone: +49 203 379 6032, Email: sekretariat.koebis@uni-due.de**.
