

“I explore the whole world of logistics. And **move forward my own career.**
At DB Schenker Logistics.”

Deutsche Bahn is a leading international mobility and logistics service provider. Our division DB Schenker provides industry-specific and integrated logistics solutions worldwide in Land Transport, Air and Ocean Freight as well as Contract Logistics. The optimum flow of goods and information is central to DB Schenker's business activities.

We are looking for you to start in April 2012 as a

Trainee (f/m) for our International Talents@DB Schenker Logistics Program

Our international trainee program Talents@DB Schenker Logistics provides you with an excellent opportunity to start your career and explore the whole world of logistics. Within 18 months you will get a comprehensive insight into our international corporate culture and our business fields: Air and Ocean Freight, Land Transport, Key Account Management & Sales, Contract Logistics/SMC, IT and Finance. You will be deployed both in our Head Office in Essen and our worldwide country organizations. By this, you get a general overview of our complex business, establish your own network throughout our company and develop your intercultural competence. Training and qualification weeks give you the chance to strengthen your project management and presentation skills and workshops will familiarize you with our logistics processes and methods.

DB Schenker has a variety of opportunities to offer: Do you want to have a better view of our operation in Malaysia? Do you want to meet key customers in the high tech industry in the USA? If this sounds interesting and you think you fit the following profile, we look forward to getting to know you!

Your profile:

- Good to excellent university graduation degree, preferably with focus on logistics
- Work experience through student internships and/or past employment favourably in logistics
- Proficient knowledge of English, basic knowledge of German, a further language is preferred
- Good social skills and intercultural competence (e.g. through studies, internships abroad)
- Enterprising mind and proactive approach to business
- Excellent analytical and conceptual thinking
- Well-developed communication skills and high level of customer orientation
- Very good command of MS-office

Please send your application in English, including a cover letter, resume (CV), a transcript of records or university diploma, your secondary school diploma and, if available, internship and work references to: [**chr@dbschenker.com**](mailto:chr@dbschenker.com)

Application deadline: 22 January 2012

Reference: Talents@DB Schenker Logistics
