

Challenging and exciting chance for ambitious Technician (m/w)

The Company

Masterflex AG is a 25 year old publicly listed company and a global leader in high-tech hoses. Headquartered in Gelsenkirchen, Germany with factories and offices in the USA, the UK, China (in process), Singapore, France, the Czech Republic, Russia and Brazil.

The Task

For our new plant in Kunshan, China (near Shanghai), Masterflex is seeking an energetic Technician to build up the production and warehouse from scratch. This includes installation of infrastructure, warehouse, office and production plant in cooperation with the German headquarter as well as running the new factory, training and supervising the operators (3-5) and manufacturing at Masterflex quality standards.

The Technician will receive an intensive and comprehensive training in the German headquarter on machine-operation and installation, production processes and products for about six months. Then he/she will move to China as the Technical Supervisor for a period of about 2 years. During this time he/she will receive full support by the headquarter.

At the end of the 2 years (option to stay longer), the Technical Supervisor will hand over the running operation to a local successor. He/she will then take over a job – similar or higher in qualification – at the headquarter or at any other company of the Masterflex Group. This will be agreed upon commonly by the Candidate and Masterflex.

The ideal Candidate will have: some technical experience and knowledge in project and plant management and a lot of enthusiasm and a strong hands-on attitude.

Required Experience / Skills

- Completed technical training
- Strong hands-on and solution-oriented attitude
- Self-motivated and self-driven
- Fluent in German and English, Chinese Mandarin would be an asset (Masterflex will support development of Chinese language skills)
- Good interpersonal and intercultural skills
- Willingness to live in China for about 2 years

Location

Kunshan, near Shanghai, China

Support will be provided in finding an accommodation, language courses and social integration into existing German and Western community
