

**Most people see a table.
You see ideas that
improve efficiency.**

Warehousing Logistics is a competent partner concerning all questions in the area of handling and storing of goods. We are supporting IKEA's growth with precise, low costing and flexible handling and storing solutions through the whole Supply Chain.

Inter IKEA Systems B.V.

Inter IKEA Systems B.V. is the owner of the IKEA Concept and the worldwide IKEA franchisor. Our assignment is to continuously develop the IKEA Concept and to ensure its successful implementation in existing and new markets. We are embracing the opportunities arising from a new everyday reality to add more value for today's and tomorrow's customers. Our way forward is to keep on being a modern and optimistic brand and work together to fulfil the IKEA vision: *To create a better everyday life for the many people.*

Our tasks are:

- the further development and optimisation of IKEA's handling and storage concept
- to secure and control the establishment process for IKEA's logistics units worldwide
- develop the layout and design for logistics units including needed capacity and performance calculations
- selection of appropriate material flow systems and material handling equipment
- support local establishment projects worldwide
- drive technical tender processes
- execute milestone controls and performance tests in technical orientated projects

To strengthen our team we are looking for a **Logistics Specialist (m/f)** with a logistical background or comparable work experiences

Full time (167h per month)

Location: Germany (Dortmund)

We expect:

- ability to lead, coordinate and support projects
- basic understanding in planning and design of logistics units supporting e-commerce and supply chain distribution centres
- understanding of warehouse management systems
- understanding of material flow systems and material handling equipment
- understanding goods flow & capacity calculation and man power planning
- strong analytical capabilities
- ability in solving tasks of high complexity, able to think globally
- able to take initiative and own decisions
- team orientated
- open minded and communicative personality
- fluent English (written and spoken)
- interest and possibility to travel (world-wide)

Position offered will be based on local terms and conditions (Tarifvertrag Groß- und Außenhandel NRW). The salary is based on Tarifvertrag Groß- und Außenhandel Nordrhein-Westfalen. Handicapped persons with equal qualification will be preferred.

If you are interested to develop handling and storage concepts and to improve logistics operations in order to gain efficiency and to secure goods availability send your application to:

IKEA Logistics GmbH

Administration & HR Department
Ellinghauserstr. 213
44359 Dortmund

or **apply favoured directly online (www.ikea.de/jobs)**

We look forward to your application **till 10.08.2016.**
