**Important:** For the examination registration you have to register online for all courses in which you are planning to exam and to receive credits from our offered courses. Please kindly note that there is a registration period for our offered courses (only for the courses of the third semester from January, 12th up to January, 16th, 2015).

For the examination registration all students should send for all courses the "Formular Prüfungsanmeldung" (filled) via Email to Ms van Wasen (beate.vanwasen@uni-due.de). You will find the certificate on the website below mentioned (only in German available, for some help please ask your fellow students from our Master's Programme, who are German or have good German language skills)
