

## **Practical course “Environmental Microbiology” SS14**

(Master Water Science 2.Sem.)

The practical course is taking place from

**04.04.14-11.07.14**

every friday between 9am and 6pm.

- For this practical course a registration is obligatory. You can register with name and matrikel number by email ([jens.c.benninghoff@uni-due.de](mailto:jens.c.benninghoff@uni-due.de)) from now **until 16.03.2014**.

**If you do not register, you are not allowed to enter the practical!**

- Safety and introductory talk for this practical course will be on

**Tuesday, 01.04.13 from 4-6 pm in room S05 T02 B02.**

This event is obligatory for every student!

The practical course contains two parts. “Part A” (Prof. Sand) will take place from **04.04.-23.05.14** and “Part B” (Prof. Siebers) from **06.06.-11.07.14**.

- During the practical course a seminar is taking place. Every student has to give a presentation for 25 minutes (groups of two). Afterwards there will be a discussion for 5 minutes. A handout should be prepared. You will get a mark for this presentation and it will be a part of the final mark for the practical course. The seminar will be on tuesday at **4-6pm** between **08.04.14-08.07.14** in room **S05 T02 B02**. All students have to be present for all presentations!
- **The date for the written exam will be announced later.**
- Every student has to bring a lab coat (100% cotton), safety glasses, calculator, kitchen roll, and a waterproof pen (Edding).
- The practical script will be online on **Friday, 28.03.14.**
