When & Where

The ECoL Summer School will take place from the 14th to the 23rd of August 2017 on the Duisburg Campus of University of Duisburg-Essen.

Who

Master and PhD candidates, Post-Docs as well as Practitioners are invited to discuss innovations in the interdisciplinary and service-oriented field of logistics during a ten-day programme, touching upon a variety of topics regarding "Food Supply Chain".

Contact

Please do not hesitate to contact ECoL Summer School's team, Albert Hölzle and Güldilek Köylüoglu, anytime via e-mail contact@ecol-summerschool.net.

Find further information on ecol-summerschool.net.

Idea

The ECoL Network aims at integrating neighboring disciplines; this means one does not necessarily have to be an educated logistician in order to apply for admission to the ECoL Summer School.

Application

We would like to invite you to send us your application for our ECoL Summer School in Duisburg. Please consider the questions in the application form:
