Classification	Material (Serum/Plasma/etc.)	Quantity (µl)

**14 Description of the patient cohort**  
Provide information about the size of the required patient cohort.

**15 Clinical data**  
Age  
Sex  
Other:  
  
**Additional required data:**

### Project Proposal

Please submit your application to:  
Email: biobank@uk-essen.de  
Phone: 0201-723 1667

**16 Required services:**

**17 Publication of the homepage**

The Ethics Committee requires that the project title and a description of the project that is understandable to laypersons have to be published on the homepage. You are welcome to provide an alternative title (alternatively, you can also use an additional sheet):

**18 Publication reference on the origin of biomaterial/data from the WBE**

Following the decision of April 8, 2021, all users of biomaterial/data from the WBE must use the following text:

***Human biological samples and related data were provided by the Westdeutsche Biobank Essen (WBE, University Hospital Essen, University of Duisburg-Essen, Essen, Germany; approval WBE-ref.)"***

*(WBE-ref = Reference number of the WBE)*

A copy of the publication must be made available to the WBE in a timely manner.

Noted

**19 Consent of sample provider: the director of the Department must also give the approval here!**

Name	Department/Institute	Date/Signature

**20 Cost center**

Please indicate your F&L cost center for billing purposes. You will receive a template with the invoice information to initiate a third-party funding transfer to your DM account via the Central Third-Party Funding Service.

**Household cost center**

**21 Datum, Signature of applicant**
