

New Insights into Thyroid Hormone Action

We proudly present the speaker of our LOCOTACT Lecture in April 2022:

Professor Anthony Hollenberg is a nationally and internationally known basic and translational researcher investigating the physiological and molecular underpinnings of metabolism with a focus on thyroid disorders. Since February 2018 he serves as Chairman in the Weill Department of Medicine (WDOM), New York.

Date: 28.04.2022
