  - formalities such as visa and residence permits
  - registration with public authorities
  - planning your journey to Germany
  - finding accommodation
  - health and other insurances
  - child care and other family topics
  - opening a bank account
  - first steps in the Ruhr Area
  - dealing with the foreigner's office
- enrolment of PhD candidates
- finding language courses
- personal support and advice via e-mail, phone and face-to-face
- cultural and social events, seminars on taxes, pension etc.

Scholars at Risk

The support of refugees and scholars at risk is an important concern for our university. The university has successfully participated in all calls for application of the Philipp Schwartz Initiative (PSI) of the Alexander von Humboldt Foundation.

The PSI provides universities and research institutions in Germany with the means to host threatened foreign researchers on a fully funded research fellowship.

To know more about support and funding opportunities for scholars at risk, please contact us.
