

Compact German Language Courses for International Researchers

German Language Courses

Each semester the IOS (Institute for Optional Studies) offers compact German language courses for international guest researchers and their families. The courses are offered as one block in the afternoon.

You may **register** by sending an e-mail to
sprachkurse@uni-due.de.

Please note that there is a deadline for registration each semester. In addition, taking an IOS placement test is required. You may find more information on this website (German):

https://www.uni-due.de/ios/sprachkurse_e1_veranstaltungen_anmeldung.php

Language Exchange

In addition to the language courses, the International Office helps you find a partner for language exchange, „Tandem-Partner“, to practice German further without being bound to a fixed time. If you are interested in finding a language exchange partner, please visit this website:

https://www.uni-due.de/international/sprachtandem/application_en.shtml

You might also be interested in the Café-Lingua, where you can practice even more:
