

# EUROPEAN CONFERENCE ON ICT 4 TRANSPORT LOGISTICS ←←

Dear Ladies and Gentlemen,

proudly we would like to announce this year's European Conference on ICT for Transport Logistics (ECITL) and inform you that the registration has opened. This year is the 7<sup>th</sup> edition of this conference, specialized in Transport Logistics, Supply Chain Management and Information and Communication Technologies (ICT). The conference will be held on the

5<sup>th</sup> – 7<sup>th</sup> of November 2014

at the Fraunhofer Institute for Material Flow and Logistics, Dortmund (Germany)

More than other businesses, transport logistics and supply chain management relies on innovative Information and Communication Technologies (ICT). For example, ICT enhances logistics stakeholder abilities for active cooperation in supply chains. Also, through the shared and provided set of data, ICT is recognized as the most important enabler for logistics innovation and allows to create and maintain competitive advantage. Therefore, the theme of this year's conference will be how

"ICT drive Transport Logistic Cooperation".

This theme will be thoroughly explored in the ECITL's Scientific Day, where researchers will present significant research results, and the two Industry Days. The Industry Days consist of key note presentations, held by representatives from politics, industry and research, and parallel sessions. The parallel sessions aiming to present research findings and results, its demonstrations and exploitation success stories. The parallel sessions are peppered with presenters from the leading logistics- and supply chain institution.

We are delighted welcoming speakers and representatives from well-known and well-established industry organizations as ATOS, T-Systems, Gebrüder Weiss, Post Denmark, Trafikverket, Identec Solutions AG, Port of Duisburg, etc., research organization as Fraunhofer, Vorarlberg University of Applied Sciences, BIBA, CeTIM, Korea Aerospace University, University of Rome, Kuehne Logistics University, CERTH, etc. and political institutions as the European Commission, Minister of Economic Affairs, Energy and Industry of the State of North Rhine-Westphalia, etc.

The full agenda, the session overview, the list of presenters and its presentations is available online on [www.ecitl.eu](http://www.ecitl.eu); on this homepage, you also will find hotel recommendations, the travel directions to Dortmund, the description of the Cultural Visit and Industry Tours as well as the registration link.
